

Dollhouse Calendar 2010 Instructions.

1. Cut out the cover and all of the months' pages including the grey strip along the top.
2. Starting at the bottom – with December's page at the bottom glue (I use Pritt Stick glue) the top grey strip at the top of December's page and stick November's on top. Continue in this way until you stick the front cover on.
3. Bind the top of the calendar with a single piece of oblong paper (ensuring you cover the grey marker band) and stick a handle using a thick cotton thread or similar on the back for hanging.
